## CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

Product: Pipe Couplings, Adapters & Stoppers  
(Synthetic Rubber & Stainless Steel)

File No. 0743

Issued To: Mission Rubber Company Inc.  
1660 Leeson Lane  
Corona, CA 92879

Identification: The gaskets shall be marked with the manufacturer's name or trademark, county of origin, nominal pipe size and ASTM C564. The shield and clamp assembly shall be marked with pipe size, county of origin, the words "ALL STAINLESS" couplings manufacturers name or trademark and UPC® certification mark.

Characteristics: A synthetic coupling with either a slotted, solid or expanded metal shield and bands with tightening device are made of stainless steel. For use in joining listed DWV materials with compatible O. D.'s. Recommended torque is 60 inch pounds. Some couplings are also listed for use on swimming pools and solar heating systems with pressures which do not exceed 50 psi. To be installed in accordance with the manufacturer's recommendations and the requirements of the latest edition of the Uniform Plumbing Code.

Products listed on this certificate have been tested by an IAPMO R&T recognized laboratory. This recognition has been granted based upon the laboratory's compliance to the applicable requirements of ISO/IEC 17025.

Products are in compliance with the following code(s):

  
Chairman, Product Certification Committee

  
CEO, The IAPMO Group

This listing period is based upon the last date of the month indicated on the Effective Date and Void After Date shown above. Any change in material, manufacturing process, marking or design without having first obtained the approval of the Product Certification Committee, or any evidence of non-compliance with applicable codes and standards or of inferior workmanship, may be deemed sufficient cause for revocation of this listing. Production of or reference to this form for advertising purposes may be made only by specific written permission of IAPMO Research and Testing, Inc. Any alteration of this certificate could be grounds for revocation of the listing.
