ANSI Accredited Program  
PRODUCT CERTIFICATION

## CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by authorities having jurisdiction.

Effective Date: September 2006 Void After: September 2007

Product: Pipe Couplings, Adapters & Stoppers File No. 0743  
(Synthetic Rubber & Stainless Steel)

Issued To: Mission Rubber Co., Inc.  
P.O. Box 2349  
Corona, CA 91718-2349

IDENTIFICATION: Manufacturer's name or trademark, nominal pipe size, ASTM C 1277-2003 and UPC® certification mark. Gum label on the fitting indicates material to be joined.

CHARACTERISTICS: A synthetic coupling with either a slotted, solid or expanded metal shield and bands with tightening device are made of stainless steel. For use in joining listed DWV materials with compatible O. D.'s. Recommended torque is 60 inch pounds. Some couplings are also listed for use on swimming pools and solar heating systems with pressures which do not exceed 50 psi. To be installed in accordance with the manufacturer's recommendations and the requirements of the latest edition of the Uniform Plumbing Code.

Products comply with the applicable sections of the latest edition of the Uniform Plumbing Code® and the International Plumbing Code®.

Manufactured in compliance with ASTM C1277-97.

This listing is for the period indicated herein and is void after the date shown above. Any change in material, manufacturing process, marking or design, or having first obtained the approval of the Product Research Committee, or any evidence of non-compliance with applicable codes and standards or of inferior workmanship, may be deemed sufficient cause for revocation of this listing. Reproduction of or reference to this form for advertising purposes may be made only by specific written permission of IAPMO Research and Testing, Inc.

Any alteration of this certificate could be grounds for revocation of the listing.
